Re: Duke Energy Carolinas' Energy Efficiency Plan

Dear Mr. Scott:

Duke Energy Carolinas has pending before the Public Service Commission of South Carolina an energy efficiency plan designed to meet customer demand as a "fifth fuel". As a major customer of Duke Energy Carolinas, I would like to express my support of their Energy Efficiency Plan and filing in Docket No. 2007-358-E. In the industrial sector, we see our costs rising rapidly, and recognize that energy efficiency needs to play a more active role in helping us reduce our costs.

I believe it is in the public interest to have the docket closed and the settlement approved by the PSC. I appreciate your efforts to share my support for Duke's filing with the PSC. Duke's plan will help businesses like mine experience significant savings, which is especially important in these troubled economic times.

Sincerely,

A handwritten signature in cursive script that reads "David Cattrell".
